

Hello Expectant Parent(s)!

We are Helen and Clint. Thank you for taking the time to read this little introduction into our lives. We appreciate the gravity of your decision and hope to offer some comfort while you get to know us in this letter. Though we are very happy together in our marriage, we are compelled to expand our family, build upon our strong foundation, and share in the many blessings we have been given by opening our lives and home as an adoptive family.

We met through mutual friends at a Festivus Party. Clint made Helen laugh and the rest is history. We have been married for 14 fun filled years.

We both love Montana! Rafting is one of our favorite summer activities. We like rafting with family and friends on nearby rivers as much as possible. It's a great way to beat the heat. We also enjoy camping and hiking. We have a pop-up camper that we take on adventures. We enjoy traveling and seeking out great food wherever we go. At home, we are fond of cooking, eating meals together and streaming movies and series.

Clint grew up in rural Montana where his grandparents were his closest neighbors. His grandpa played an accordion in a band, which instilled a love of all music from a young age. He has two older sisters. Clint is an electrical engineer in the construction industry and is a partner in a national engineering firm. Clint enjoys summer activities including barbecuing and smoking meat. In the fall and winter, he roots for the MSU Bobcats and Las Vegas Raiders.

Helen grew up in Maryland and moved to Montana when she was in high school. She is the oldest of 4 girls. Helen is a nurse practitioner in a primary care clinic for adults. She has a passion for working together with her patients on their healthy journeys. Helen enjoys making stained glass, embroidery, bible study, hanging out with friends and taking care of house and potted plants. Helen also likes football and roots for the Green Bay Packers and the MSU Bobcats.

We love spending time with our families and are lucky that they live close by! Clint's mom and husband live 30 miles away and Helen's parents live 6 miles away. Both of Clint's sisters and one of Helen's sisters live in town. We also love entertaining family and friends, and we host a Superbowl Party every year along with multiple family celebrations and holidays where both of our families come together. Helen has 3 nieces and Clint has 3 nieces and 1 nephew.

We believe our strengths include being financially and emotionally secure in our relationship. We are both successful in our careers and will strive to set good examples of hard work and dedication. We are affectionate people and know the value of giving to others. Humility will be important as we learn to be parents for the first time. We hope that we can pass on faith, a good work ethic, and the importance of being kind and giving back. We will also encourage our children to find their spark in life and other things that bring them fulfillment, such as sports, music, art, etc.. We plan on continuing to be as active as we are now and instilling a love for the outdoors and the beautiful state of Montana. We also plan on passing down family traditions and traveling together.

Thank you again for your time and consideration. Know that we are praying for you while you are making this difficult decision regardless of the outcome. May God bless you and watch over you always.

Sincerely,
Helen and Clint
