

Dear Expectant Parent(s),

Hello, we are Joel and Jenna, and we are truly honored to be considered as adoptive parents. We understand that you are facing one of the most difficult decisions of your life. This choice requires immense bravery and selflessness. As you read this, we hope you gain a clearer understanding of who we are, our values, and the loving life we plan to provide. Please know that we hold deep respect for your journey and the incredible love that drives your decision.

Joel is kind-hearted, generous, and a devoted husband, uncle, brother, and friend. He works as a local propane truck driver, which allows him to be home every night. Joel enjoys getting out and about each day, embracing adventure and making people laugh. As a grill master, he loves cooking delicious BBQ and sharing it with others. He likes watching football, reading, and the outdoors.

Jenna is a creative and compassionate person who is loyal and down-to-earth. She is a caring wife, aunt, sister, and friend. Jenna teaches elementary school children with fun lesson plans. In her free time, she enjoys singing, playing guitar, ukulele, and banjolele, as well as journaling, daily devotionals, and spending time with family.

What We Like To Do

We love watching romantic comedies and cheering for our favorite sports teams! We like to play card, board, and yard games. Spending time outdoors is a big part of our lives, and we enjoy activities like kayaking, fishing, picking huckleberries, hunting, swimming, walking, hiking, and camping in our trailer. Exploring new places is always exciting for us, whether it's discovering old ghost towns or visiting beautiful national parks. We're lucky to live in a quiet neighborhood with a lovely backyard. Our adorable 8-year-old mini schnauzer-shih tzu mix, Daisy, is our little companion. She has a blast playing fetch, and we like to call her our adventure dog because she joins us on all our travels!

Our Journey

We've been happily married for almost nine years! Although we've faced challenges like infertility, miscarriages, and ectopic pregnancies that have prevented us from having biological children, our hearts are full of love to share. We can't wait to create wonderful memories with our future child! We're excited to offer unconditional love, support, and guidance as we embark on this incredible journey together.

Our Values

We cherish quality time spent with family and friends. We communicate effectively and capture our adventures with many photos. We will love your child unconditionally and wholeheartedly.

Our greatest aspiration is to instill in our children the profound gifts of unconditional love, a sense of belonging, faith, family, joy, and laughter. We are committed to nurturing their heart with Christian values, guiding them to love others just as Christ loves us. As we embark on countless adventures together, we envision precious moments filled with connection and joy as a family.

Being a part of our child's life story would not only be a profound honor but also a cherished gift that we hold dear. With the support of our loving family and friends, we aim to create an environment where our child feels deeply loved, valued, and accepted. We also hope to adopt again in the future so our child can experience the joy of having siblings.

Thank you for your time and consideration. We support whichever decision you make and will keep you in our prayers. We look forward to meeting you and being a part of your adoption journey.

With Heartfelt Gratitude,

Joel & Jenna
